

RURAL MUNICIPALITY OF ROSEDALE UTILITY OPERATOR

The Rural Municipality of Rosedale is inviting applications for the position of a part-time operator for the water supply and treatment system located in the Village of Kelwood. The Kelwood Water Treatment Plant is a **1.0/lps chlorination** process which supplies potable water to residents in the Village of Kelwood.

Duties include:

- Operation and maintenance of the water treatment plant and water main infrastructure
- Meter reading, water meter maintenance, measuring chlorine residuals, flushing main lines, flushing hydrants (spring & fall), operating and maintaining valves and curb stops and operation of emergency fire pumps.
- Respond to emergency call-outs when required
- Assist in leak detection and repairs to equipment as required
- Record keeping, daily logs, work orders
- Follow guidelines, policies, by-laws in compliance with appropriate safety and security standards
- Decommissioning of old meters & installation of new water meters when required
- Working in adverse weather conditions with minimum supervision
- All other duties as required

Qualifications:

- Experience or certification in Small Water Systems Treatment/Distribution would be an asset
- Valid Class 5 Manitoba Driver's License and own transportation
- Mechanical skills required
- Able to work unsupervised or as part of a team
- Able to deal with the public in a polite and professional manner

Applications must be received by 4:00 p.m. November 15, 2019 in person, by mail, fax or email

Persons possessing the necessary qualifications are asked to submit their resume along with three work related references to:

Rural Municipality of Rosedale
