- (e) Enforcement of any provincial or municipal statues as they may apply

**NOW THEREFORE** the council of the Rural Municipality of Rosedale in session assembled enacts as follows:

**1.0 DELEGATION OF AUTHORITY**

- 1.1 THAT the Authority Having Jurisdiction, Chief Administrative Officer or designate of the Rural Municipality of Rosedale be appointed as Officers for the purpose of enforcing provincial statues, regulations as well as this By-law.

## 2.0 RESPONSIBILITIES

2.1 All burning within the municipality shall be subject to the conditions and provisions of *The Wildfires Act*, and the *Manitoba Crop Burning Residue Burning Regulation – MR 77/93*.

2.2 AUTHORIZATION to conduct *Outdoor Fire* burning does not exempt or excuse a person from the responsibility, consequences, damages, or injuries resulting from the authorized burning and does not excuse a person from complying with other applicable laws, ordinances or regulations.

- a) Any *Outdoor Fire* shall be supervised by the owner or occupier of the land or a person authorized by the owner or occupier of the land. Burn barrels must be placed within visual site of residence with no obstructions blocking view from residence.
- b) No person shall start an *Outdoor Fire* on any land without taking sufficient precautions that are reasonably necessary to protect persons and the property of others from the fire. Burning barrels must be placed in a fire guarded, 15 meter (or 40 ft.) circumference area free of burnable materials of any kind.
- c) No person shall start an *Outdoor Fire* unless all precautions are taken to ensure that the fire can be kept under control, or when weather conditions are conducive to a fire burning out of control.
- d) No person shall cause an *Outdoor Fire* to be started in order to guard property; clear land or burn debris; burn crop, stubble or grass; unless the land on which the fire is started is completely surrounded by a fire guard consisting of:
  - i) a strip of land free of flammable material, or of sufficient width to control the fire
  - ii) by natural or man-made barriers, water, or
  - iii) by a combination of (i) and (ii).
- e) The smoke from an *Outdoor Fire* shall not pose unreasonable hazard to the health of any person or reduce the visibility on any road or highway.
- f) A sufficient water supply and means of fire suppression capable of extinguishing the *Outdoor Fire* based on its fuel loading and size shall be available on site.
- g) All fires must be extinguished when unsupervised.

## 3.0 BURNING BAN

3.1 Council may by some form of a written vote of majority of council members, at their discretion, at any time enact or lift the ban **ALL BURNING** (including fires contained within fire pits, solid fuel burning appliances and burning barrels) in the Rural Municipality of Rosedale if conditions exist where, in the opinion of the municipality, fires are of extremely high risk, and such a ban would prevent wildfires from occurring.

## 4.0 OFFENSE AND PENALTIES

4.1 It is an offense to contravene any provisions of this By-law. Any conviction of an offence is subject to a penalty of not less than \$500.00 or not more than \$1,000.00.

4.2 Where a person is in contravention under this By-law, in addition to imposing a fine, the municipality is entitled to be reimbursed by the person(s) for costs incurred by the municipality in fire protection and suppression operations that were undertaken as a result of the person(s) acts or omissions that resulted in the costs to be incurred.

5.0 This By-law shall come into force and take effect on the passing thereof.

DONE AND PASSED by the Council of the Rural Municipality of Rosedale in regular session assembled, this 8<sup>th</sup> day of June, 2018.
