

# RECYCLING GUIDE

It's only garbage if you put it there. Did you know that more than half of your household waste can be recycled?

Manitobans are doing a great job recycling, but we can always do more.

# RECYCLING TIPS

- Toss your recyclables loosely into the bins without stuffing containers together.
- When you're recycling paper and boxes, fold and flatten them to save space.
- You don't have to remove lids or labels, just make sure your bottles and containers are clean and empty! A quick rinse is always appreciated.
- Recycling happens in more places than just your kitchen. Remember to recycle in all areas of your home.
- Don't put anything in your recycling bin that your municipality does not accept – check online first at [simplyrecycle.ca](http://simplyrecycle.ca) or at [rmrosedale.com](http://rmrosedale.com).

## PLASTIC BAG RECYCLING

The R.M. of Rosedale is one of the few municipalities where plastic bags are accepted in the residential recycling program.

In other parts of Manitoba, plastic bags are not accepted in the recycling bins. As an alternative, many retailers accept your used plastic bags for recycling. Remember, reduce your use of plastic bags by bringing a reusable option, reuse "single-use" bags for household garbage, pet waste and other items.
